How we can help

No one likes to think he or she needs life insurance. But when people depend on you, assuring their financial futures with life insurance benefits is simply the right thing to do.

- **Premiums are guaranteed** – You will know how much your coverage will cost from month to month and year to year.
- **Portable** – You can take the plan with you if you change jobs or retire.
- **Payroll deduction** – Your premiums can be deducted from your paycheck.

Why choose Whole Life insurance?

- **Available cash** – You can borrow from the policy's cash value to help pay medical expenses, college tuition, or any other bills you may have.
- **Increase in the cash values** – Any increase in the cash value of a life policy is not subject to income tax while the cash remains in the policy.
- **Guaranteed coverage** – Coverage continues for as long as you pay your premiums.

How it works

The above example is based on a scenario for whole life insurance that includes the following benefit conditions: \$50,000 death benefit, \$50,000 accidental death benefit, and \$12,500 seatbelt benefit.

The policy and riders have limitations and exclusions that may affect benefits payable. For costs and complete details of the coverage, contact your Aflac insurance agent/producer. This brochure is for illustrative purposes only. Refer to the policy and riders for complete definitions, benefit details, limitations, and exclusions. The policy prevails if interpretation of this material varies.

WHAT IS COVERED?

ACCELERATED DEATH PAYMENT – PRIMARY INSURED ONLY

Aflac will pay 50 percent of the face amount selected if the named insured is diagnosed with a terminal condition. The payment can help you and your loved ones with the expenses of a terminal condition (such as home nursing care, special equipment, and hospitalization). This benefit will be paid only once.

Any Accelerated Death Payment will automatically establish a lien against the policy. Aflac shall hold the lien as a debt against the death benefit, policy benefits, cash values, any outstanding policy loans, and/or any other policy liens in existence under the policy. Any Accelerated Death payment amount requested will be reduced by the amount of any due and unpaid premiums, any outstanding loan, and the administrative charge.

OPTIONAL RIDERS

To become insured, the child must be at least 14 days old and younger than 18 years old at the time of application. Insurance on each newborn child will become effective on the later of: (1) the date the child attains the age of 14 days, or (2) the date the child is first released from the hospital after birth.

WAIVER OF PREMIUM BENEFIT RIDER (RIDER ICC1368054) – PRIMARY INSURED ONLY (ISSUE AGES 18–59)

Also, we will pay an additional 25 percent of the face amount selected if your death is the result of an automobile accident while you were wearing an unaltered, properly fastened seatbelt installed by the manufacturer, and you were not at fault for the accident, according to the police report.
